PLEASE ACCEPT THIS AS A NOTICE TO INFORM YOU, as a property owner, tenant or interested citizen, that the Council of The City of San Diego, California will conduct a public hearing, as part of a scheduled City Council meeting, on the following project:

Matter of approving, conditionally approving, modifying or denying a Street Vacation, Torrey Pines Community Plan, Local Coastal Program, and Progress Guide and General Plan Amendment to close and vacate Sorrento Valley Road from Carmel Valley Road to Carmel Mountain Road, and remove its classification as a two-lane major street from the circulation element.

The Street Vacation, Torrey Pines Community Plan, Local Coastal Program, and Progress Guide and General Plan Amendment to close and vacate Sorrento Valley Road from Carmel Valley Road to Carmel Mountain Road, and remove its circulation element classification as a two-lane major street is located in the Coastal Zone; therefore the City Council's decision requires amending the City's Local Coastal Program.

The final decision on this Street Vacation, Community Plan, Local Coastal Program, and Progress Guide and General Plan Amendment to close and vacate Sorrento Valley Road from Carmel Valley Road to Carmel Mountain Road, and remove its circulation element classification as a two-lane major street will be with the California Coastal Commission. The City of San Diego must submit this as an amendment for certification to the Coastal Commission. The amendment is not effective in the Coastal Zone until the Coastal Commission unconditionally certifies the amendment. If you wish to be noticed of the Coastal Commission hearing on this issue, you must submit a request in writing to the Engineering and Capital Projects Department, Steve Frick, Project Manager at (619) 533-3785 at least five working days prior to the meeting.
